

2014 KOTESOL International Conference

"Embracing Change: Blazing New Frontiers Through ELT"

October 3-5: COEX, Seoul, South Korea

This year's conference will feature four main strands but other proposal topics are also welcome. The strands are:

- Young Learners
- Assessment and Evaluation
- Business English
- Professional Development

Stay tuned to this space for progress reports and details of conference preparations from the conference committee leaders, as it develops into the complete conference information site during the coming year.
